Production Date: May 31, 2023

This document is intended as a basic source of information on the safe use and maintenance of InnovaTech Manufacturing's Fire Extinguisher Stand.

This document is not intended as an all-encompassing safety "Rule." Instead, InnovaTech Manufacturing presents this information as a reference and guide only. It is the purchaser's and user's responsibility to identify specific safety hazards and determine proper procedures to prevent those hazards from inflicting injury.

Safety is paramount in the use of this product. A copy of this guide should be made available to all persons using this product. This guide is available online at <https://innova.tech>.

All information in this document is based on the latest product information at the time of publication. However, there may be design improvements from time to time so that photographs, text, and sketches in this document may not exactly match your product. InnovaTech Manufacturing's responsibility, financial or otherwise, for any consequences arising out of the use of this document or product is limited by our product warranty. The information contained herein is subject to change, and revisions may be issued to advise of such changes. InnovaTech reserves the right to make product changes at any time without obligation.

This document contains subject matter to which InnovaTech Manufacturing has proprietary rights. Recipients of this document shall not duplicate, use, or disclose information contained herein, in whole or in part, for any use other than training personnel on safe use and maintenance of this product.

If you have any questions or concerns about the content of this Product User Guide or, if you would like to request updated information, we want to hear from you.
