

InnovaTech Adjustable Panel Horse

PRODUCT USER GUIDE

Safety

Do not modify this product.

Ensure care is taken in setting up or taking down to avoid pinch points.

Overview

The InnovaTech Adjustable Panel Horse serves as a header rail positioning jig as part of the Insulated Metal Panel (IMP) Wall Table setup. The Wall Table setup uses two Adjustable Panel Horses, one at the foot of each side of the table. Brackets support IMP structure. Feet are used for leveling.

Specifications

Dimensions

Length	57 ft
Width (with brackets)	45 in
Height (lowered with brackets).....	28.5 in
Height (to bracket seat).....	20.85 to 29.325 in
Leveling feet give some added adjustment	
Max Grade/Slope (width direction).....	±3%
Max Grade/Slope (length direction)	±5%

Weight and Capacity

Weight	1,977 lbs
Per Point Capacity	5,000 lbs
Total Capacity	20,000 lbs

Product Use

Pre-Use Inspection:

Inspect Adjustable Panel Horse before each use for the following:

1. Structure: No breaks of welds or parent metal.
2. Feet, Bolts, and Brackets: All components are present and in good condition

Setup:

1. Align Adjustable Panel Horse length perpendicular to Gantry Track.
2. Adjust Leveling Feet until rail slope is consistent with IMP Table components.
3. Set Wall Frame Brackets to match IMP Wall Frame Layout.

Transport and Storage

Use D-Rings to secure for Transport.

Store Adjustable Panel Horse where it is not exposed to a caustic environment.

Produced by: InnovaTech Manufacturing
Product: Adjustable Panel Horse Product User Guide
Manual Product Code: APH-PUG01-R00
Version: First Production
Production Date: June 7, 2023

This document is intended as a basic source of information on the safe use and maintenance of InnovaTech Manufacturing’s Adjustable Panel Horse. This document provides general information as well as specific warnings, instructions, and information that users of this product must read, understand, and follow.

This document is not intended as an all-encompassing safety “Rule.” Instead, InnovaTech Manufacturing presents this information as a reference and guide only. It is the purchaser’s and user’s responsibility to identify specific safety hazards and determine proper procedures to prevent those hazards from inflicting injury.

Safety is paramount in the use of this product. A copy of this guide should be made available to all persons using this product. This guide is available online at <https://innova.tech>.

All information in this document is based on the latest product information at the time of publication. However, there may be design improvements from time to time so that photographs, text, and sketches in this document may not exactly match your product. InnovaTech Manufacturing's responsibility, financial or otherwise, for any consequences arising out of the use of this document or product is limited by our product warranty. The information contained herein is subject to change, and revisions may be issued to advise of such changes. InnovaTech reserves the right to make product changes at any time without obligation.

This document contains subject matter to which InnovaTech Manufacturing has proprietary rights. Recipients of this document shall not duplicate, use, or disclose information contained herein, in whole or in part, for any use other than training personnel on safe use and maintenance of this product.

If you have any questions or concerns about the content of this service and maintenance guide or, if you would like to request updated information, we want to hear from you.
